Dear Mr. Casper:

The Peer Review Committee met on January 10th, 2020 to review the continuing education requirements for the Nebraska registered Landscape Architects. The committee recommends that all registrant's continuing education hours be approved with the following comments:

1. Hal J. Enevoldsen (LA 177) submitted hours for the 2019 Agri/Eco Tourism Workshop and Nebraska Tourism Conference. Specific information regarding the content of these conferences was not provided. In addition 16 hours of Quickbooks training was provided. The committee was unsure of the relevancy of Quickbooks training.
2. Jay Rundle Gordon (LA 213) did not mark the boxes on the application in regards to if his practice has been revoked, suspended or cancelled.
3. Mark O. Dawson (LA 245) submitted hours for the ASLA Conference on Landscape Architecture and Ideas of Modernism Excursion. Specific information regarding the content of these events was not provided.
4. James E. Woodward (LA 189) Six hours were submitted for "Reading and Studying Dynamic Design – A Computer Aided Design (Lab) Manual" in 2019 with no specific dates. The committee was unsure if this was appropriate self-study time.

Please let me know if you have any questions or if I can be of further assistance.

Sincerely,

Ronald Poe, PLA
